## Notes:

1. This weeklong schedule is what we’ve found to be most effective—but we may need to make adjustments during your stay. Please come with a willingness to be *flexible*.
2. The schedule may be modified to accommodate for holidays, such as Memorial Day or Independence Day.
3. Meal periods might seem long, but preparing food in a “primitive” environment takes *much* longer than visiting a dining hall!
4. Mornings and evenings have built-in free time for your personal and group devotions.
5. Friday’s program begins earlier and has a shorter lunchtime; please plan your meals accordingly.
6. Your group should be ready at least five minutes before each activity.
