

# Welcome

## to Deep and Wide,

an annual Bible reading plan designed to guide you through the full counsel of God in a new and refreshing way.

Psalms teaches us to worship. Proverbs gives wisdom. The Old Testament reveals God's covenantal love and character in history, and the New Testament reveals Jesus Christ.

This plan weaves readings from each of these four areas and guides you through the entire Bible—some of it more than once—in a single year.

While that may seem like a lot, the readings usually take only 20-30 minutes and the combination of passages brings unique insights.

I designed this plan for my personal use in 2014 and have found it so valuable in my own spiritual growth that we're sharing it more broadly to encourage others to experience the fullness, power, and wonder of the Bible—God's Word.

All Scripture is God-breathed  
 and is useful for teaching,  
 rebuking, correcting and  
 training in righteousness,  
 so that the servant of God  
 may be thoroughly  
 equipped for every  
 good work.  
 2 Timothy 3:16-17
