

VOLUNTEER PILOT QUESTIONNAIRE & FACTS YOU SHOULD KNOW

Thank you for your interest in serving with the JAARS Aviation Department. To help us effectively evaluate your skills, matched with our needs, please take a few minutes to fill out this questionnaire.

Facts to consider:

1. Volunteer JAARS pilots may **only** be used for Missions at the Airport (MATA's). Our policy does not allow involvement in flight training or overseas flying.

The purpose of MATA is to create awareness and interest in the work of JAARS and our support of Bible translation, by engaging the public through local community, church sponsored, and school events. Our desire is for people to become engaged by praying, giving, and serving.

2. The MATA flying season typically extends from March to October each year
3. Flying is a bit sporadic, typically 50-75 hours a year, per pilot
4. Staff may be away from home multiple weeks at a time
5. Pilots are expected to engage in public speaking representing JAARS
6. The JAARS pilot mandatory retirement age is reaching your 66th birthday

Requirements to become a volunteer pilot with JAARS:

1. Valid Class II FAA Medical certificate
2. Commercial Pilots License
3. Instrument Rating (airplane only)
4. Experience in high performance aircraft (airplane only)
5. Min. 1000 hours flight time
6. Min. 50 hours recent experience in the last six months
7. Pass a one week JAARS Technical Evaluation (your estimated cost \$2500)
8. Complete a sixteen week JAARS Flight Orientation Course (your estimated cost \$5,400, JAARS contribution \$4,400)
9. All course costs do not include housing expense
