

June

- 1** Thanking God for answered prayer, our Communications team recently welcomed their new copy editor. Pray for guidance and discernment as he begins work with the team.
- 2** Pray for those attending our [CrossVenture|Coastal](#) event this week.
- 3** Pray for the Cohort Bravo [Fellows](#) as we commission them today. They will be considering what God has next for their lives.
- 4** Pray for a team from Zoar Mennonite Brethren Church of Inman, Kansas, as they prepare for their time at [CrossVenture](#) in July—that their hearts will be open to the Holy Spirit about how they can engage with us at JAARS.
- 5** Praise God for a new healthcare provider at JAARS! Rachael Collins, PA-C, will be providing primary medical care for staff on our campus.
- 6** Pray for much-needed staff and wisdom with COVID-19 protocols as we prepare for our October [Passport to Missions](#) event for children.
- 7** Pray God will raise up a manager for [church mission teams](#) so we may accommodate more teams and better serve those who come.
- 8** Pray for wisdom for the Learning and Development leadership team as they move forward with a virtual form of our Intercultural Communications Course in July.
- 9** Pray for the Aviation team members managing the acquisition of a new R66 helicopter for our aviation training. The process requires much effort and patience.
- 10** The VM Productions team, based here at JAARS, recently completed the Lihir *JESUS* and Mamusi *JESUS* videos (Papua New Guinea). Pray for effective distribution of the videos.
- 11** Pray for God's protection and blessings on all who rely on JAARS housing, those in short-term as well as long-term.
- 12** Our Cohort Charlie Fellows are completing their last Perspectives course lesson today; pray for clarity of vision for their futures.
- 13** Pray that God will be glorified during our Summer Safari for missionary kids, which begins tomorrow. Pray for good attendance and safety from illness.
- 14** Pray for our Transportation team (aviation, land, and maritime) as they develop strategies for effective transportation solutions in the changing world of Bible translation.
- 15** Pray for our [Mountain Week](#) aviation training in Spruce Pine, NC, June 14–18. Training includes maintenance projects and flights into short, sloped landing areas.
- 16** Pray for the continued growth of our Technology team, not only in number, but as a diverse, strongly united team to serve and strengthen JAARS.

- 17** JAARS Youth has some significant staffing needs. Ask the Lord of the Harvest to provide more staff to minister to our students.
- 18** Today is JAARS Serve Day, a time for staff to serve our neighbors and community in Waxhaw, NC. Pray God will provide a wonderful day of ministry and draw many to himself.
- 19** Praise God for the arrival of ACOTBA-SUBO's new 4WD vehicle from JAARS, just in time for the Bible dedications for the Lobala, Mono, Ngbandi-Ngiri, and Pagabete people groups.
- 20** Pray God will provide two much-needed recruiters for JAARS Aviation.
- 21** Pray for our Technology & Business Solutions and Learning & Development teams as they work together to develop adequate support systems for virtual training events and video conferencing.
- 22** Pray for our [Missions at the Airport](#) team as they plan and prepare for next month's EAA Airventure.
- 23** Please pray for [Museum of the Alphabet](#) visitors to come and be inspired by the exhibits to pray for, give to, or serve at JAARS.
- 24** Please pray for wisdom for the IMS Story Producer app team and ask the Lord's help in erasing barriers that stand in the way of it working smoothly and reaching completion in all the languages that need it.
- 25** Pre-Field Orientation for new pilots and mechanics ends today. Pray they finish well.
- 26** Pray for our new graphic designer, Melissa Blank, who plans to start in July. Pray for her support team to be in place by then.
- 27** Pray for God's Word, in oral and visual formats, to powerfully impact and transform those hearing and seeing for the first time.
- 28** Give praise for families and churches that supported JAARS Aviation training during Mountain Week. They provided housing, food, and worship, and sacrificed crop income on land used for aircraft landings and takeoffs.
- 29** Pray Cohort Delta Fellows will have safe travel and easy transitions to a new community as they prepare to start service at JAARS on July 12.
- 30** Praise God for the provision of two temporary health care providers this year, and pray he will supply other providers for our needs here.

July

- 1** Our Land Transportation team's two-day 4WD training course starts today. Pray for safety and a full class.
- 2** Pray for safety and good flying weather as our Aviation staff provides [Vision Flights](#) to introduce young people to mission aviation.

3 Pray for God's help with the acquisition of five much-needed motorcycles for CITBA, our Bible translation partner in the Democratic Republic of the Congo. International supply chain problems have stalled the process.

4 This Independence Day pray many in the U.S. would experience true freedom. "So if the Son sets you free, you will be free indeed" (John 8:36).

5 Pray for the JAARS housing office staff who need full implementation of a new software program to be able to do reservations.

6 Pray for missionaries who are furloughing from overseas at JAARS; many are not sure when they can return due to COVID-19 restrictions.

7 Ask the Lord to provide a full class and safety as our Land Transportation team conducts a three-day 4WD training course beginning today.

8 Pray for additional part-time videographers and local photographers to help the Communications team meet the growing need for photos and videos.

9 The SIL Africa ICT Services team, a close JAARS partner, has 25 projects involving information technology issues at regional centers of SIL and Wycliffe Global Alliance. Pray for wisdom in organizing the resources and skills needed for each project.

10 Pray for the JAARS Youth this week as they conduct an outreach program, including a VBS program developed by JAARS, at a West Virginia church. They will be ministering to children in the inner city.

11 Praise God for each person who so faithfully serves at JAARS. May our roots reach deep into the soil of God's marvelous love.

12 Pray for Cohort Delta Fellows as they start their service at JAARS with our Intercultural Communications Course.

13 Pray for the health of some of our museum staff who face serious illness and for effective learning for new museum staff.

14 Pray for all who participate in our Intercultural Communications Course this week—attendees, leaders, and facilitators.

15 Pray for the missionary kids attending Summer Safari—that their lessons and activities will draw them closer to each other and to Jesus.

16 Pray for Aviation staff who are engaging with Asas de Socorro in Brazil to assist in strengthening their aviation training program.

17 The VM Productions team, based at JAARS, has completed the Tigak *JESUS* video (Papua New Guinea) and the Chimané *ACTS* video (Bolivia). Pray God will use the videos to change lives for his glory.

18 Pray for an uneventful, safe delivery of the 4WD on its way from Germany to CITBA, our partner in the Democratic Republic of the Congo.

19 As the Cohort Charlie Fellows welcome Cohort Delta Fellows into their community, pray a healthy, fun, biblical community will blossom.

20 Our Learning & Development team is exploring new means of conducting virtual training for our global partners. Ask God to provide discernment and help in stewarding resources.

21 Pray for travel safety for our Missions at the Airport team going to Oshkosh, Wisconsin, this week to set up the JAARS exhibit for the EAA AirVenture convention.

22 Pray for Richard Young of SIL Africa ICT services, who carries a large load as an IT support consultant for our partners in Africa.

23 Supply chain problems are hampering the acquisition of motorcycles for seven translation projects in the Democratic Republic of the Congo. Pray for a breakthrough in the efforts of the local suppliers and patience and endurance for all.

24 Give thanks for Scripture resources in over 1,400 languages, now available at www.ScriptureEarth.org.

25 Pray for our Scripture website partner as they prepare to conduct an on-site workshop in August in Cameroon, their first in over a year.

26 At the EAA AirVenture convention this week, our Missions at the Airport team will represent JAARS with static display aircraft and an exhibit tent, inviting visitors to partner with us.

27 As staff members complete their time with JAARS, we who have been blessed to work with them praise God for their faithful service. Pray for them in the next steps of their journeys.

28 With JAARS support, Faith Comes By Hearing* is overseeing a number of [Oral Bible Translation projects](#). Pray God will mightily use the Scriptures they record to bless many language groups.

29 Praise God that [flight subsidies](#) provided by JAARS have helped SIL Cameroon Aviation restart their mission flight service.

30 Pray for the Central African Republic, currently undergoing much violence and civil disruption. Pray for safety for Bible translators and their families and the continuation of their work.

31 Pray for the [IT Connect](#) conference in Nairobi, Kenya, scheduled for September. They are planning for 50 English and French IT specialists to meet together.

* A JAARS partner

Thank you for praying for JAARS. How may we pray for you? Write us at prayer@jaars.org.
