

## October

**1** Pray for our staff who'll be sharing about JAARS with attendees of this weekend's Indian Land Festival. Pray that many will decide to visit JAARS and get involved.

**2** Pray for our "Touch Down at JAARS" Helicopter Fly-in event today: for safe travel, good attendance, and effective presentations.

**3** Our Learning & Development staff has a busy month ahead with six training events on their schedule. Please pray for the staff to have discernment in planning for participants' needs and for the technology to work well.

**4** Pray for good weather for the ferry flight of our new R66 helicopter from CA to NC. Pray for the details that must be taken care of before it is ready for service at our headquarters.

**5** Pray for our staff who work with [church mission teams](#) coming to serve at JAARS this month—for wisdom in managing projects, speakers, and meals. Pray also for the housing team who ensure that each group has comfortable accommodations.

**6** Pray for the Open Door church mission team from York, PA, as they serve on our campus this week: for work-site safety and openness to what God is doing around the world through JAARS.

**7** As our [Refuge 139](#) staff provides a program for the children of staff serving with the Silk Road Ascent group, pray for God's protection for the children and their parents, who work in very challenging situations.

**8** Pray for our [Passport to Missions](#) event today and tomorrow. Ask that the children and their families will learn more about JAARS Aviation, Papua New Guinea, Cameroon, and Deaf language groups.

**9** In response to pandemic restrictions, the staff conducting our weekly JAARS Center meeting developed a Zoom broadcast, allowing more people, to join us for praise and prayer.

**10** Pray for our [Missions at the Airport](#) staff. They will be traveling every week this month to locations from TX to VA to share with schools and offer rides.

**11** Pray for our Cohort Delta [Fellows](#) now serving in their jobs: for development of time management skills and opportunities to sharpen their skills.

**12** Pray for the Zion Church mission team from Xenia, OH, serving on our campus this week.

**13** Praise God for new part-time videographers for our Communications team! Pray for wisdom in acquiring new equipment for this much-needed service.

**14** Pray for the six-week online *Culture meets Scripture* training that runs through November 2.

**15** Today, our Youth department staff is hosting a transition seminar for those who have recently come to JAARS from overseas. Pray for the students adjusting to major changes in their lives.

**16** Pray that God will mightily use our instructors to provide effective, useful training for those preparing for missions work.

**17** Pray as we enter a busy season of attending Fall events. Ask that many hearts will be receptive to serving with JAARS—as advocates, coworkers, donors, or prayer partners.

**18** Pray for the Communications team as they seek new software to better manage projects and the content used to produce JAARS publications.

**19** The [Cessna 206 we prepared for service in Peru](#) with SAMAir is in the final stages of completion; delivery is expected sometime this month.

**20** Pray for an effective upgrade to our auditorium technical equipment. We want to conduct our weekly JAARS Center meetings in person (when appropriate), and also live-stream them globally.

**21** Pray for timely solutions to supply chain problems that affect the availability of vehicles and motorcycles JAARS provides to partners in the Democratic Republic of the Congo.

**22** A group from Matlock Baptist Church, Jackson, SC, is attending our weekend [CrossVenture](#) experience. Pray for open hearts and open eyes to see how they might fit in God's plan.

**23** Pray for the JAARS staff who'll be involved throughout the day with games and displays, and sharing about different cultures, at Carolina Presbyterian Church's mission conference.

**24** As the Vision International Missions team serves on campus this week, pray for work-site safety and a broader understanding of how JAARS is making Bible translation possible around the world.

**25** Pray for the timely, safe arrival in Isire, Democratic Republic of the Congo, of the Toyota Land Cruiser acquired by JAARS for CITBA.\*

**26** As JAARS tour ambassadors meet, greet, and escort guests on [daily campus tours](#), may our guests catch a vision of becoming involved in Bible translation.

**27** Pray for the [JAARS Senior Leadership Team](#) as they discern and define the strategic goals of JAARS for the coming year.

**28** The SIL Africa ICT Services team, which JAARS supports, is conducting annual reviews for each African entity supported. Pray that directors and IT personnel will provide good insights for improvement and growth.

**29** Pray for JAARS pilot Tim Reed and his wife, Jenna, who will be serving with Asas de Socorro\* in Brazil, as they study Portuguese and adjust to a new country. Pray also for their health and for the little one they are expecting.

**30** Thank you for praying with us as we trust God to accomplish more than we can ask or imagine.

**31** Pray for the team representing JAARS at the Locust Grove Fall Festival as they share about our work with children and their parents.

## November

**1** Praise God for the attendees at our recent “Touch Down at JAARS” event. Pray they will share with others how JAARS makes Bible translation possible.

**2** Our Bible translation partner in Togo and Benin needs of 2 vehicles, 20 motorcycles, and a canoe. Pray God will make it possible for JAARS to provide these solutions.

**3** Pray for wisdom as the SIL Africa ICT Services team organizes resources and researches affordable solutions for the internet and power needs of our partners in central Africa.

**4** Pray for work-site safety and God’s leading for the church mission team from Grace Community, Willow Street, PA, serving on our campus this week.

**5** Pray for wisdom as the SIL Cameroon Aviation team plans operations for the next six months.

**6** Pray for the provision of a specialized boat needed by translators working with the Bobangi language group of the Democratic Republic of the Congo.

**7** Pray for wisdom for the staff planning the 2022 calendar for our CrossVenture, Coastal Cross Venture, and Aviation camp programs.

**8** Pray for the mission team from Ludlow Baptist Church, Ludlow, VT, serving on our campus this week.

**9** Pray for the Lord’s help in finding additional technology Service Desk volunteers to expedite response to JAARS staff requests for assistance.

**10** Pray for the timely delivery of much-needed motorcycles for the translation team working with the Lohulu and Havu language groups in the Democratic Republic of the Congo.

**11** As we observe Veterans Day to honor the brave men and women who have served to protect our country, ask God to bless and guide all those in our armed forces.

**12** Pray that God will bring the right person to serve as assistant manager of our Museum of the Alphabet.

**13** Pray for the Communications staff as they restructure their photo library to make access to images more convenient for individuals and JAARS Center departments.

**14** Praise God for new exhibits in the [Museum of the Alphabet](#). We greatly appreciate those who shared artistic gifts and made these exhibits possible.

**15** May God powerfully use the videos recently completed by IMS, based at JAARS: Nama *Jesus* (Papua New Guinea), ut-Hun *Genesis* (Nigeria), and Dizin LUMO *John* (Ethiopia).

**16** Pray for our efforts to encourage people, churches, and organizations in nearby Charlotte to become involved in the mission of JAARS.

**17** Ask God’s blessing on a new training program the SIL Africa ICT Services team is conducting for Congo Basin Bible translation partners. Pray for the mentors who will follow up with nine IT specialists after the initial workshop.

**18** Ask God to guide and direct our Learning & Development staff as they expand their partnerships with other mission and training organizations.

**19** Ask God for wisdom for the team that is developing a revised structure for the groups who serve together in our Engagement Department.

**20** Ask God to provide a subscriber support specialist for our FlightSpan team to provide technical and customer support to teams in the field that are using the [FlightSpan app for mission aviation](#).

**21** With JAARS support, Faith Comes by Hearing is conducting many Oral Bible Translation projects worldwide. Pray God will mightily use the Scriptures they record to bless many language groups.

**22** Ask God to provide wisdom, stamina, and resources to our Facilities Department as they execute their plans for the maintenance of the JAARS campus and facilities.

**23** Pray for missionary families who are apart during the Thanksgiving holiday—especially college age students in the U. S. whose families live overseas.

**24** Pray for the JAARS chief of staff as he supports our president and senior leadership team in functioning as a high-performing executive team.

**25** On this Thanksgiving Day, join us in offering our prayers to the Lord with grateful hearts. “Oh give thanks to the Lord, for he is good, for his steadfast love endures forever” (Psalm 107:1).

**26** Pray for our Cohort Delta Fellows as they settle into their community and jobs at JAARS.

**27** Praise! Two [4WD vehicles](#) provided by JAARS have enabled a YWAM\* translation team in Papua New Guinea to begin outreach in Madang Province.

**28** Pray God will prompt the young aviators who take our [Vision Flights](#) to consider the need for missionary pilots and their opportunities to serve.

**29** Pray for the team that is developing a new integrated system resource for the Engagement Department and for the staff learning the new process.

**30** Pray for the provision of a vehicle and six motorcycles needed by our Bible translation partner in Chad.

\*A JAARS partner
